

**RULES AND REGULATIONS OF ST. JOSEPH'S CEMETERY &
MAUSOLEUMS TOMS RIVER, NJ DIOCESE OF TRENTON STATE OF
NEW JERSEY**

(Revised and Amended: June 2014)

PREAMBLE

Ever since the sacred body of our crucified Savior was reverently laid in the tomb, there to await the hour of its glorious resurrection, the church has been most solicitous to surround the burial of those who hope to rise with Christ with an atmosphere of deep Christian faith and profound reverence. In the mass and burial prayers, the church gives voice to her belief in the Christian doctrines of the resurrection of the body, the communion of saints and life everlasting. But as a further seal and symbol of faith, she sets apart and solemnly blesses the place in which the bodies of her faithful departed are entombed until the day of the resurrection.

In the very earliest days, Mother Church found it necessary to make rules and regulations which would protect these sacred places and the relics laid therein. She could not and would not allow anything within the holy precincts which would desecrate them, lessen their beauty or bring dishonor on the dead.

To insure the sacred character of the cemetery operated by St. Joseph's Church and the Diocese of Trenton in accord with the mind and traditional practice of the church and to establish and maintain good order, the following rules and regulations are in effect.
